Midweight Brand & Campaign Designer (Fashion & E-commerce)

www.mseaodesigns.com | mseao98@gmail.com | 07378845111

Commercially focused Midweight Brand & Campaign Designer with 5 years experience delivering revenue-driven creative for fashion e-commerce. Trusted to own end-to-end sales campaigns during high-pressure trading moments, alongside brand-led and seasonal work, blending editorial craft with performance-led thinking across digital and physical touchpoints.

EXPERIENCE

Creative Designer (Midweight)

Childrensalon | March 2023 – Present | Tunbridge Wells

Promoted to Midweight (2025)

- Led creative for key seasonal sales, including Summer Sale and End of Season Sale, supporting approximately 70–80% of January revenue.
- Owned Outlet and Black Friday creative across fast-paced trading cycles, delivering assets across paid social, email and onsite.
- Delivered consistent, commercially effective creative under tight deadlines across complex, multi-channel campaign rollouts.
- Improved delivery speed and consistency by streamlining workflows and introducing motion templates and AI-supported production.
- Led end-to-end delivery of print and packaging projects, including booklets, inserts and festive packaging.

Key achievement: Promotion to Midweight Designer following ownership of high-impact trading campaigns during peak commercial periods.

Junior Designer

Geobrand | May 2021 – March 2023 | Maidstone

- Led packaging and brand design for Chegworth Spark, developing a premium packaging concept within a competitive FMCG environment.
- Designed brand identities across web, print and environmental graphics, supporting clear brand positioning and visual consistency.
- Collaborated with UI/UX teams on web visuals and digital storytelling to enhance usability and engagement.
